All,

I'm not sure where Tony left off with this prior to going on vacation, so Dave and William, you are up next for this week. I'm re-CCing the request below. Please search your individual accounts, plus BOTH MOF accounts.

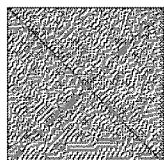

You have one cumulative hour this week. Let us know if you use it all or if you have time left over.

Thanks!

Team:

We have another CPRA request from Adrian Riskin to work on. We can devote **ONE HOUR OF CUMULATIVE STAFF TIME** this week. I have been going through this on my own and have accumulated and redacted my documents.

I am including the request, as well as the order in which everyone should respond. Please see below.

As with before, the first person on the list should go through their emails and files, see if they have any responsive documents, print and redact anything that's responsive, and then log their time accordingly. **If you reach one hour of total time, YOUR WORK FOR THE WEEK IS DONE.** If you have leftover time, you should notify the next person on the list who needs to respond, and how much time they need to allot that week.

Please let me know if you have any questions.

Suggested order:

1. Leg. Team (in order of however you see fit)
2. Tony
3. Dave/William - personal accounts + the MOF accounts
4. Jeanne
5. Christine

6. Chris
7. Sylvan
8. Marisol
